

Automatic Flat Labeling Machine for Cap MT-220-7

Application:

Label Adhesive Paper Stickers to Products from Top

Products Applicable: Products with Flat Top

Labels Applicable: adhesive paper sticker

Features:

Labeling from Top to the objects and it's adjustable for different sized products

Labeling machine produced accordance with GMP Standard and CE certificated

Automatic Labeling, work independently or connected to a production line

Easy to operate on Touch Screen, labeling controlled by PLC

Labeling Steadily, strong S/S frame construction, all the electronics parts are imported from Germany, Japan, France, USA

High Labeling Speed and Labeling Accuracy, no products, no labeling

Options Function:

Coder Printer to print batch number, production date, expiry date and so on on the label when labeling

Automatic Feeding Device for Labeling Machine

Technical Parameters:

Production capacity	600-12000 BPH (related to product size)
Labeling precision	$\pm 1\text{mm}$ (exclude product and label error)
Product size applicable	$15\text{mm} \leq \text{product width} \leq 250\text{mm}$; length $\geq 10\text{mm}$
Label size applicable	$10\text{mm} \leq \text{width} \leq 150\text{mm}$; length $\geq 10\text{mm}$
Power supply	220V 50Hz, 1.0KW
Machine size	$1600*800*1400\text{mm}^3$
Weight	200KG
