

## *Straight Line 4 Automatic Liquid Filling Machine*

- The machine adopts stainless steel and aluminum alloy material durable
- The whole machine adopts imported servo control system make the machine running on the stable and high speed
- Advanced affinity touch human-machine interface easy operation complete function has the rich online help function
- Use of the world's famous brands imported electrical components ensure that the machine is stable reliable
- The belt conveyors table reliable guarantee the delivery of materials
- Conveying and automatic labeling speed synchronous tracking make the adjustment is more quick and easy operation
- Automatic sensor detection have not any label and without the automatic stop and alarm automatic detection function, prevent leakage and waste
- Before and after Duan Kexuan connection line, also have optional receiving platform, is advantageous for the finished product collection, sorting and packing
- Optional configuration (ribbon printer) can print production date and batch number online, reduce the bottle packaging process, improve production efficiency

### **Technical parameters:**

1. Packaging Type: Bags, Bottles, Cans, Cartons, Case, Pouch
2. Packaging Material: Glass, Metal, Paper, Plastic, Wood
3. Type: Filling Machine
4. Condition: New
5. Application: Beverage, Chemical, Commodity, Food, Medical
6. Automatic Grade: Automatic
7. Driven Type: Electric
8. Voltage: 110v/220v
9. Power: 500w
10. Place of Origin: China (Mainland)
11. Certification: CE Certificate
12. Numbel of filling head: 2;4;6;8 (customize)

技术参数 / Technical parameters:

型号	Model	直线式全自动膏体灌装机	直线式全自动液体灌装机
功率	Power	500W	
电源	Power supply	AC220/110V 50/60Hz	
气压	Air pressure	0.5-0.7Mpa	0.4-0.6Mpa
速度	Speed	5-60瓶/分	
精确度	Accuracy	± 1%	
机型	Model	5-100ml 10-300ml 50-500ml 100-1000ml 500-3000ml 1000-5000ml	
灌装头数	Number of filling heads	2、4、6、8 (可定制)
