

Automatic Wet Glue Labeling Machine

Wet glue labeling machine adopt mature PLC control system

Glue labeling machine include the conveyor, paste the label on the bottle by glue

Wet glue labeling machine is used widely for the labeling of the round object in such industries as food, medicine, daily chemical and so on.

Advantage:

1. Operation: Wet glue labeling machine label box can be changed according to the different label size
2. Material: Glue labeling machine is made of SUS304 stainless steel
3. Configuration: Wet glue labeling machine adopt well known Japanese, German, American, Korean or Taiwan brand parts

Technical Parameters

Drive	Shift motor driven
Bottle diameter	Φ55-120mm
Labeling speed	50-120pcs/min
Label width	30-200mm
Label length	80-360mm
Precision	±1mm
Machine size	2400*1100*1200mm
Weight	750kg
Power	AC 220V/380V 50/60HZ 1800W
