4. PLC control system ensures the stable running condition and easy for the maintenance.

Technical Parameters:

Model	F-Y319	
Bag size	Length:50-210mm	1. Width:30-110mm
		2. width:30-150mm
		3. width:30-180mm
		4. width:30-200mm
Packing speed	20-120 bags/min	
Measuring Volume	1-200ml	
Packing Materials	PET/PE,PET/AV/PE, NY/AL/PE,NY/PE, any hot sealing film	
Power	3.8kw	
Machine Dimensions (mm)	1400*1000*1800(L*W*H)	
Packing type	Back seal, three side seal, four sides seal	
Net weight	500kg
