

## JD-FB-4 Multi Lane Powder Stick Packaging Machine

Jiade those machines can weight, fill, make the bag, print manufacture date and expiry date and batch number, seal, cut off, cut easy-tearing notch automatically, can also add a loader to loading powder from big hooper to dispensing hopper.

Those machines are suitable for powder like coffee powder, tea powder, grain powder, vegetable powder and soup powder and other any powder and so on.

### Parameters:

Model	JD-FB-4	JD-FB-6	JD-FB-8	JD-FB-10	JD-FB-12
Lanes	4Lanes	6Lanes	8Lanes	10lanes	12Lanes
Stick Range	(W)15-55mm		(W)15-37mm	(W)15-29mm	(W)15-23mm
	0.59"-2.17"		0.59"-1.46"	0.59"-1.14"	0.59"-0.9"
	(L)30-170mm/1.18"-6.69"				
	One machine is for one width only (the users can choose one of their range),the length can be adjusted freely				
Maxi. Film Width	480mm/18.9"	680mm/26.77"			
Machine Speed	100-140PCS	150-210PCS	200-280PCS	250-350PCS	300-360PCS
Sticks/Minute					
Bag Type	Stick				
Gas Volume	0.4cbm/minute 0.6Mpa				

Voltage	AC220V/50-60HZ Single Phase or AC380V/50HZ 3 Phases				
Total Power	2.8KW	3.2KW	3.6KW	4.0KW	4.5KW
Weight to Pack	1-30ml/0.035oz-1.05oz				
Control System	PLC control system				
Packing Material	Laminated film ,laminated paper, Pure Aluminum film				
Measuring Way	Auger Filler				
Accuracy	1-2%				
Machine Material	Stainless Steel 304				
Machine Size	3000*1300*2800mm/118.11"*51.18"*110.24"
