

## *Toffee Hard Candy Bubble Gum Automatic Dicing Pillow Packing Machine HTL-D808*

- The product processing has become a front line, which has significantly improved the sanitary conditions and production efficiency;
- Microcomputer automatic control, large screen touch man-machine interface, convenient and fast parameter setting;
- The servo motor continuously compensates, the bag length is set in one step, saving time and film, and the finished product is of good quality;
- The whole machine has the advantages of compact structure, stable operation, stable performance, simple and convenient operation.

### **Application scope:**

It is suitable for automatic cutting and pillow packaging of milk candy, fruit cake, bubble gum, hard candy and fruit cake food.

Forming container for toffee and bubble gum

### **Technical Parameters**

Production capacity	200-500 p/min
Wrapper shape	Square, rectangular, cylindrical
Package specifications (mm)	L20-120 W 12-20 (φ8-φ13) H 6-12
Total power	4.2kw
Power supply	380V/50HZ
Total weight	1080kg
Dimensions (L × W × H)	2100×950×1500 (mm)
