

Automatic Sticker Labeling Machine for Top Labeling MT-220-1

Application:

- Label Adhesive Paper Stickers to Bottles or Products from Top
- Widely used in chemical, cosmetics, pharmaceuticals, food industries
- Products Applicable: Products with flat top
- Labels Applicable: adhesive paper stickers in roll

Features:

- Labeling from Top to the objects, and it's adjustable for different sized products
- Labeling machine produced accordance with GMP Standard and CE certificated
- Automatic Labeling, work independently or connected to a production line
- Easy to operate on Touch Screen, labeling controlled by PLC
- Labeling Steadily, strong S/S frame construction, all the electronics parts are imported from Germany, Japan, France, USA
- High Labeling Speed and Labeling Accuracy, no products, no labeling
- Wide Conveyors for options on different Labeling purpose
- Wipe labels on products by brush or sponge roller

Function:

- Coder Printer to print batch number, production date, expiry date and so on on the label when labeling
- Sensor for Clear or Bronzing Labels

Technical Parameters:

Production capacity	600-12000 BPH (related to product size)
Labeling precision	$\pm 1\text{mm}$ (exclude product and label error)
Product size applicable	$15\text{mm} \leq \text{product width} \leq 250\text{mm}$; $\text{length} \geq 10\text{mm}$
Label size applicable	$10\text{mm} \leq \text{width} \leq 150\text{mm}$; $\text{length} \geq 10\text{mm}$
Power supply	220V 50Hz, 1.0KW
Machine size	$1600*800*1400\text{mm}^3$
Weight	200KG
