

BW-type Mixing Machine

BW-type Mixing Machine takes a strong and high effective mixing as its features. The two mixing sales rotate reversely at an identical revolution in the horizontal drum body. The paddles specially distributed on the axle ensure that the material move radically

Technical Parameters

Model	Volume	Maximum loading weight	Speed	Motor Power	Machine weight	Dimensions
L	Kg	R/min	Kw	Kg	Mm	
BW-180	180	90	3-12	1.5	280	1400x800x1850
BW-300	300	150	3-12	2.2	320	1685x800x1850
BW-500	500	250	3-12	3	550	1910x800x1940
BW-1000	1000	500	3-12	4	950	2765x1500x2370
