

## Cutting and Packaging Machine DXD-800Q

### Main Features:

The flow type cutting and packaging machine can be used to connect candy production line, providing automatic packing and improving efficiency of the production line.

- A. The flow type cutting and packaging machine is automatically controlled by micro computer.
- B. The cutting and packaging machine can be used to connect candy production line, providing automatic, sanitary packing and improving efficiency of the production line.
- C. High precision, excellent seal and high stability

### Main Specifications:

Machine name	Flow Type Cutting and Packaging Machine
Machine model	DXD-800Q
Production capacity	500Pcs/min
Packing specifications	Length 20-40mm Width12-20 (φ8-13) mm Height5-18mm
Packing shape	Rectangle, Square, Cylindrical
Power supply	220v/50HZ
Gross power	4.6KW
Overall dimensions	2250*900*1550mm(L*W*H)
Gross weight	1250kg
