

## Stand Up Pouch Packing Machine WP-BF 200/250

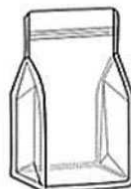

### Feature:

- 1) Automatic warning protects function, safer working environment and less materials wasting.
- 2) The frame of machine is made of 304 stainless steel, man-machine interface, easy to operate and maintainer.
- 3) Available system for choice: remote diagnosis system, automatic lubrication system, automatic clips adjusting system.

### Application:

- 1) Applicable bag type: zipper bag, paper bag, 3 side seal bag, standing pouch bag and so on.
- 2) Applicable film material: a variety of laminated films, film thickness range 0.04-0.09mm.
