

## Food Bundling Machine BM-30/BM-50

### Why use banding machine?

- \* Paper bands can be removed without using a cutting tool
- \* Transparent plastic bands showcase your product
- \* Labels can be eliminated by printing directly on the band
- \* Banding won't damage the corners and edges of your product
- \* Diverse selection of banding materials and machine options

### Specification

Model No.	BM-30	BM-50
Tape Specification	W 28mm * T 40-60MIC	W 48mm * T 40-60MIC
Tape Type	Paper tape / OPP film	
Arch Size	330*210mm	
Banding Size	Max.: 320*200mm Min.: 40*80mm	
Voltage Power	220V 50HZ 500W	
Control System	PLC + Touch screen + Servo motor	
Banding Speed	23 PCS/Min
