

Single Head Linear Weigher MK-AX1-2-1

The single head linear weigher is designed for the weighing of tiny granules with a diameter lower than 20mm such as seeds, white sugar, dried fruit, washing powders and more. This linear weigher features an easy product and target weight change, making it suitable for packaging in different target weights and several uniform granules. The remote control via internet is easy and efficient to use.

Features:

- Stepless vibration feeding system ensures a smoother product flow;
- A high precision digital weighing sensor is used;
- 304 stainless steel guarantees food hygiene and safety.

Technical Parameters:

- Model: MK-AX1-2-1;
- Weighing range: 20-3000g;
- Weighing accuracy: $\pm 1-3g$;
- Max speed: 15bags/min;
- Bucket volume: 4500ml;
- Recipe number: 20;
- Mixture components: 1;
- Power: 220V/700W/50/60Hz/5A;
- Size: L(733) * W(440) * H(1000).
