

GPM-65 High Speed Cashew Nuts Sugar Candy Granule Packing Machine

Description:

1. Touch programmable operation, servo motor super large display touch screen constitutes the drive control core, simple operation;
2. The machine and the filling machine can complete the entire packaging process of feeding, filling, bag making, date printing and finished product conveying;
3. Perfect automatic alarm protection function, to minimize the loss, help to eliminate the fault in time;
4. Using intelligent thermostat to ensure that the seal is beautiful, smooth, cut the knife edge and do anti-stick treatment;
5. The use of professional anti-dripping and throttling methods for filling and feeding effectively avoids the phenomenon of unstable sealing;
6. The whole machine is made of food grade SUS304 stainless steel, food safety assured reliable;
7. According to the requirements can be customized feeding system, saving the cost of workers;

Technical Parameters

Model	GPM-65
Measurement range	1 -100 g (3-100 ml)
Bag size	L : 30-180 mm W : 20-140 mm
Pack speed	30-60 bag/min
Packing material	PA/PE、PET/PE and other heat sealable composite materials
Voltage	220V 50/60Hz 1.4KW
Dimension	850 * 1100 * 1900 mm
Weight	400Kg
