Herbal Medicine Packaging Machine

Chinese herbal medicine packaging machine: Imported PLC control system, simple-operating, visual touch screw. Servo film feeding system, correct register, sealing and cutting positions adopt automatic correction device, high automation. Intelligent temperature controller is used, correct.

Chinese herbal medicine packaging machine:

Imported PLC control system, simple-operating, visual touch screw.

Servo film feeding system, correct register, sealing and cutting positions adopt automatic correction device, high automation.

Intelligent temperature controller is used, correct temperature control, ensure nice, smooth seal.

Perfect automatic alarming protective function, reduce the consumption up to the lowest.

When the machine is combined with metering equipments, full packaging process including automatic feeding, metering, bag filling, date printing and automatic counting is completed.

Type of bag making: according to customer's demand, the machine can produce pillow bags, punched hanging bags.

Technical Parameter:

Item	herbal medicine packaging machine
Packing speed	15-70bags/min
Bag-making size	(L)80-300mm(W)80-200mm
Filling range	150-2000ml
Packing materials	OPP/CPP PET/PE
Film width	180-420mm
Film thickness	0.04-0.08mm
Air consumption	0.36m ³ /min 0.6MPa
Power supply	AC220V 50/60Hz 3.5kw
Machine dimensions	(L)1750×(W)1050×(H)1500mm
Machine weight	500kg
