Single sided Rotary tablet press **GZP-series**

Product description: New high speed single sided tablet press, full automation, compression station is 16, 23, 30 can be selected. Main compression 100KN, pre-compression 14KN, filling accuracy 0.01mm, modular design fully

Application:

Mainly for pharmaceutical, food, industrial compression, equipped with newest technology, fully automation control, single sided tablet press, modular design, high accuracy, fast speed.

Features:

- Fully comply with GMP requirements.
- High standard material, stainless steel design, iron casting, very stable and robust mechanical design.
- Dust free design, much less dust design.
- Easy to operate, easy to clean and continues 24 hour lights out production.
