

Computer Controlled Shrink Wrap Machine & Cartoning Machine

Computer controlled shrink wrap machine & cartoning machine suit food, beverage packaging group, bowl, tea, mosquito coils, wallpaper, exercise books, filters, electrical switches, all kinds of stationery, industrial parts and cosmetic skin packaging and cartoning packaging.

Technical Parameters:

Max film size	≤590mm
Max film size	L:180mm-530mm
	B:30mm-200mm
	H:50mm-130mm
Packing size	30-150 (bags/min)
Packaging speed	PVC, POF, OPP, PE etc shrink film
Film type	3.6KW+16.5KW
Power consumption	Main body 220V, 50HZ ; oven 380V, 50HZ
Power supply	5000×1105×1750mm
Envelop dimensions	2500×600×1700mm
Weight	Oven : 600KG
