

KENO-F112 Powder Automatic Filling Machinery

This machine can be used to package non-free-flow products such as powdered coffee, fertilizer, and seasoning, the auger filler enjoys the benefit of high efficiency, accuracy and economy

Specifications:

- Model: KENO-F112
- Power supply: 220V50Hz(380V50Hz220V60Hz)
- Power: 1400W
- Air pressure: 0.6MPa
- Bag size: 180X120mm
- Speed: 30-80bags/min
- Packing volume: 1-100MI(1.20%)
- Overall dimensions: 810X950X1750mm
- Weight: 360kgs
