

BT-250/BT-400C Cellophane (film) Box-type Tridimensional Packing Machine

Cellophane paper (film) Box-type Tridimensional Packing Machine is adopted with multifunction frequency inverter, PLC, programming controlling technology, automatically feed and count, human-machine interface touch screen. Equipped with micro air pump to make film falling off. It is applied to the outside decoration packing of square-shaped box-packaged things of such industries as medicine, food, daily gun, healthy products, tea-leaf, cubic sugar, condom, eraser, mosquito-repellent incense, cigarette, tape, VCD(CD)disk, poker, transparent soap square-shaped battery and floppy disk etc. It has the function of anti-moisture and anti-falsification, and also enhances the product level and additional value. It can combine the catoning machine and ink jet printing machine.

Technical Parameters:

Mode	BT-250	BT-400C
Produstion Capacity	20-60(bags/min)	10-20(bags/min)
Packing dimensions	(40-200)×(30-120)×(10-50)mm	(100-300)×(50-200)×(20-80)mm
Power supply	220V 50Hz	220V 50Hz
Motor Power	0.75Kw	0.75Kw
Electric heating	4Kw	4Kw
Overall Dimension	3200×850×1600mm	2250×1100×2000mm
Weight	1000kg	1000kg
Suitable area	Single box or multi boxes (strip pack)	Single box or multi boxes (strip pack)
