

## *Vial Sticker Labeling Machine*

The Vial Sticker Labeling Machine is available for self-adhesive labels, self-adhesive films, electronic supervision codes, bar codes, etc. Due to the high and reliable performance, it can be an ideal facility that widely used in food, medicine, cosmetics, daily chemical, electronics, hardware, plastics and other industries. Compared with ordinary product on the market, it ensures longer service life for use and there is no special need of maintaining.

The Vial Sticker Labeling Machine adopts the latest special chip DSP for high-speed motor control to ensure fast response of vector control. The modular design of the hardware circuit ensures the stable and efficient operation of the circuit. The structure adopts independent air duct design, the fan can be disassembled freely, and the heat dissipation is good.

### **Product specification:**

Producing speed	12000BPH
Labeling accuracy	±1mm
Label max width	100mm
Label max length	500mm
Bottle min diameter	30mm
Bottle max diameter	36mm
Bottle min height	30mm
Bottle max height	200mm
Label inner diameter	φ76mm
Label outer diameter	φ400mm
Machine size (LxWxH)	2000x1100x1500 mm
Machine power	220V 50Hz 1500W
