

FK611 Desktop Plane Surface Labeling Machine

FK611 Simple operation, High speed, Machines take up very little space, can be easily carry and moving at any time.

- ① FK611 is suitable for all kinds of specifications box, cover, carton and irregular shape products labeling, such as egg box, plastic cover, box, freak shaped products labeling.
- ② FK611 can achieve full coverage labeling, product specific location labeling and horizontal multi-label labeling.

1. Applicable labels: sticker label, film, electronic supervision code, bar code.
2. Applicable products: Flat surface (Can have holes), arc products.
3. Application industry: Widely used in cosmetics, food, toys, chemical, electronics, medicine and other industries.

Technical Parameters:

Parameter	Date
Label Specification	Adhesive sticker, transparent or opaque
Labeling Tolerance(mm)	±0.5
Capacity(pcs/min)	20~ 80
Suit product size(mm)	L:25~380; W(H):20 ~ 130; Can be customized
Suit label size(mm)	L:20 ~ 380; W(H):20 ~ 130
Machine Size(L*W*H)(mm)	≈1010*650*960
Pack Size(L*W*H)(mm)	≈1110*750*1000
Voltage	220V/50(60)HZ;Can be customized
Power(W)	120
N.W(KG)	≈100
G.W(KG)	≈130
Label Roll(mm)	ID:≥76; OD:≤260
