JS-520LS Automatic Counting VFFS Packaging Machine

Easy to operate automatic counting soft candy gummy bear packing packaging machine

This machine is applicable to single items packing and mixed 2-3 types of items packing, operating easily with PLC control system. Firm sealing, smooth and elegant bag shape, high efficiency and durability are preferred elements. Automatic ordering, counting, packing and printing can be offered. Equipped with exhaust device, printer, labeling machine, transfer conveyor and weight checker make it better.

Features:

1) PLC control system, easy operation, applicable to single items packing and mixed 2-3kinds of items packing.
2) Smooth and elegant bag shape, high efficiency and durability
3) Control by 7" industrial PC touch screen, easy operation and multiple language for choice.
4) A single species of single-dish measurement of screws, screw specifications for packaging the same time be supporting the use of multiple vibrating plate.
5) High-precision weighing module with light curtain points

Specifications:

Technical Datas	JS-520LS
Packing size	L:350mm(max.) W:140-250 mm
Packing speed	4-12 bags/min
Machine size(L×W×H)	4540×960×2750mm
Filling range	100g-6kg
Film material	OPP/CPP,OPP/PE,CPP/PE
Tracking method	photoelectricity and numerical control
