

BVL-420 Vertical Pillow Bag Packing Machine

BVL-420 is specially designed for back-sealing bags and pin-back sealing bags. It is suitable for smaller back-sealing bags. The bag width it can make is 80-200mm and the bag length is 80-300mm. The fastest can reach 80 bag/min. It can package salt, chicken essence, white sugar and other granules, as well as water, oil and other liquids, and has a wide range of applications.

Technical Parameters

Model	Pouch Length	Pouch Width	Packaging Capacity	Powder
BVL-420	80-300mm	80-200mm	25-60PPm	3.0KW
BVL-520	100-350mm	80-250mm	25-60ppm	5.0KW
BVL-620	100-400mm	100-300mm	25-60ppm	4.0KW
BVL-720	100-450mm	100-350mm	25-60ppm	3.0KW

Model	Air Consumption	Weight	Machine Dimensions(L*W*H)
BVL-420	6-8kg/m ²	500kg	1650*1300*1700mm
BVL-520	6-8kg/m ²	700kg	1350*1800*1700mm
BVL-620	6-10kg/m ²	800kg	1350*1800*1700mm
BVL-720	6-8kg/m ²	900kg	1650*1800*1700mm
