04. The machine structure conforms to sanitation standards.
05. Variable packaging speed, ranging from 20 - 40 bags per minute.
06. Product out feed conveyor shown in picture is optional.

Specifications:

Model	SP-202BS
Bag Shaper	Pillow-Seal
Film Width	360 mm
Bag Width	180 mm
Bag Length	150 - 300 mm
Packaging Speed	20 - 40 bags/min
Volume Range	600 g
Hopper Capacity	30 L
Power Source	AC 110V 220V, 50/60Hz, 1 Phase
Power Consumption	2.35 KW
Machine Dimensions	1300x680x1850mm
Case Dimensions	1400x780x2000mm
Machine Weight	450 - 600 kgs
Shipping Weight	600 - 750 kgs
