

## High Speed Pressure Capping Machine FRS-D904

High speed pressure capping machine adopts rotating disc to arrange caps, low noise and stable cap conveying, Caps can automatically full back into cap hopper if they are in wrong direction, ensure the accuracy of capping.

### Applications

Wide application for all kinds of plastic round bottles and square bottles. Common caps, protective ring caps etc

### Specification

Model	FRS-D904
Application	Common caps, protective ring caps etc
Capacity	50-150 pcs/min
Power supply	220V/110V
Net dimension	1850*800*1360mm
Machine Weight	580kg
