

## SZH Series Conical Mixer

It is suitable for mixing the powder and grain state materials in pharmacy, chemical, food, building material and other industries.

### Features

Through the vacuum conveyor for the machine, send the powder or grain state materials into the double-taper container, or send the materials into the container manually. It's energy saving, easy for operation, the labor intensity is low, and the working efficiency is high.

### Parameter

item spec	total volume (L)	working capacity (L)	material feed (kg)	speed (r/min)	power (kw)	weight (kg)
50	50	25	15	25	0.55	500
150	150	75	45	20	0.75	650
300	300	150	90	20	1.1	820
500	500	250	150	18	1.5	1250
1000	1000	500	300	15	3	1800
1500	1500	750	450	12	4	2100
2000	2000	1000	600	12	5.5	2450
3000	3000	1500	900	9	5.5	2980
4000	4000	2000	1200	9	7.5	3300
5000	5000	2500	1500	8	7.5	3880
6000	6000	3000	1800	8	11	4550
8000	8000	4000	2400	6	15	5200
10000	10000	5000	3000	6	18.5	6000
