

Confectionery & Gift Wrapping Machines ARZZD1/ARZZ1

These are TAM's top-of-the line wrapping machines that automatically and beautifully cover gift boxes filled with local specialties and confectionaries, with wrapping paper. Offering further improvements over our former models, they are easier to use too in many respects. First of all, they are equipped with touch panels for easy operability. In addition, they were designed with ease of maintenance in mind, as they allow easy access to the internal machine parts.
