

## *High Performance Vacuum Sealer Packer DZ-700/2ES*

The floor vacuum packing machine is reasonable in structure, stable in performance and convenient in maintenance. On the basis of the existing technology, a lot of improvements and optimizations have been made, and the product appearance and inherent quality have always been in the market leading position

<b>Model:</b>	<b>DZ-700/2ES</b>
Pump (M3/H):	20
Power:	0.9
Work cycle (time/min):	1-2
Gross weight (kg):	174
Net weight (kg):	137
Carton size (mm):	870*830*1080
