Round plate counting machine-YP-100

Fully automatic bottle fillings machine, max speed is up to 120 bottle/min

Application:

Mainly for pharmaceutical, health care and food industries.

Features:

- be able to fill bottles. Widely used or pharmaceutical, health care and food industries.
- Convenient and easy to operate.
- imported PLC control
- comply with GMP standards
- equipped with overload protection function.

Main data:

Model Data	YP-100	
Max speed (bottles/min)	120 bottles/min	
Filling quantity per bottle	20~180 pieces	
Container dimension	Diameter	Ø30~ Ø70mm
	Height	30~120mm
Product specification	Tablet	Ø5~ Ø12mm
	Capsules	00#,0#~4#
Noise	<70dB	
Compressed air	0.5Mpa	
Power of supply	220V, 50Hz/60Hz	
Power	1.2KW	
Dimension	1700x870x1650mm	
Weight	Approx.. 2400kg
