Parameter

- Machine model: SH-TB163PO
- Power supply: 110/220V 50-60HZ 1800W
- Working speed: About 40-80pcs/min (depending on labeling object size)
- Labeling accuracy: ± 1 mm(excluding product and label error)
- Suitable labeling object: 40-400mm(L), 40-200mm(W), 0.5-150mm(H)
- Suitable label size: 6-300mm(W)*15-130mm(H)
- Label roll OD: $\phi 300$ mm
- Label roll ID: $\phi 76$ mm
- Machine dimension: About 2420*800*1360mm(L*W*H)
- Package size: About 2260*970*1550mm(L*W*H)
- Package Weight: About 347kg
