

Semi Automatic Labeling Machine for Top Labeling MT-50A

Application:

- Stick adhesive paper labels to Bottles or Products from Top
- Suitable for Small Batch Labeling projects

Features:

- Simple Manual Operation Labeler with a step pad
- Labels blew and pumped on with air cylinder
- Flexible to work in any places, OEM are available
- Photoelectric sensor to control the labeling on and off, Labeling accuracy is high
- Made under GMP Standard and CE certificated

Function:

- Coder Printer to print batch number, production date, expiry date and so on on the label when labeling
- Clear Label Sensor

Technical Parameters:

Production capacity	1200-2400 BPH (related to product size)
Labeling precision	$\pm 0.5\text{mm}$ (exclude product and label error)
Product size applicable	$15\text{mm} \leq \text{product width} \leq 250\text{mm}$; $\text{length} \geq 10\text{mm}$
Label size applicable	$20\text{mm} \leq \text{length} \leq 110\text{mm}$; $20\text{mm} \leq \text{width} \leq 50\text{mm}$
Power supply	220V 50Hz
Machine size	$550 \times 450 \times 450\text{mm}^3$
Weight	25KG
