

Mini Preformed Pouch Packing Machine PM400

The minidoypack pouch machine is an industry leader in the innovation of premade pouch machine in China. The PM400 allow you to move away from costly, labour-intensive manual bagging to a world of affordable automation. Capable of interfacing with a multitude of fillers and designed to be simple to use with a small footprint with the ability to run your existing premade pouches.

Technical Specifications:

Model:	PM400
Machine size:	1635*510*1650mm
Machine weight	200KG
Bag shape:	Zip Pouch
Bag width	90-280mm
Bag length	130-300mm
Bag volume:	Max 2400cm ³
Output:	6-10bags/min
Connected load:	1.5KW
Power supply:	220V,3ph,50hz
Air supply:	0.6Mpa, 0.2m ³ /min
Control:	PLC
Operation	Touch Screen
