

## Confectionery & Gift Wrapping Machines ARZZD2

These models are an enhanced version of our Gift Overwrapping Machines ARZZD2, which can wrap a larger size of box. These give customers more variety of box sizes. The structure is designed for the larger sizes, and it maintains the same wrapping quality even for bigger, thicker box types. As these models also have 2 versions, an automatic sized change and a manual size change model, customers also have choices depending how you run the machine.
