Technical data:

Model	C22
Product name:	Automatic Stick Tea Bag Packing Machine (Automatically Making Holes)
Machine Speed:	20-50 Bags/min
Measuring Range:	1- 10 ml
Making bag size:	Inner Bag : 20*135mm Envelope : 35*160mm
Packing Film Material:	Laminated or Composite Film, like PET/AL/PE; Nylon/PET/PE; PET/PA/PE; BOPP/CPP; paper-plastic. Etc...
Weight:	N.W. 350Kg G.W. 400Kg
Bag type:	Seamless center sealed stick
Notch:	Flat Notch (Cut)
Voltage:	AC220V Single- phase 50HZ or 380V/50HZ three phase
Total Power:	3 KW
Control System:	Imported PLC control system
Machine Material:	Stainless Steel
