

## *Automatic Induction Cap Sealing Machine*

We are offering a best quality Automatic Induction Cap Sealing Machine. Our inspection automatic induction cap sealing machine has high efficiency become need of market.

### **DETAILS:**

- » We are Automatic Induction Cap Sealing Machines manufacturers.
- » Voltage: 110 / 220 V (50-60Hz)
- » Power: 1.5 KW
- » Capacity: 0-12 m/min
- » Sealing Diameter 30– 130 mm
- » Machine Weight: 72 Kg.
- » Machine Size: 1550 \* 550 \* 1350 mm
