

Automatic Shrink Packaging Machine HKJ-LY-005

We are a leading and professional packing machine manufacturer in CHINA for more than ten years, there are many different kinds of packing machines in our factory, such as:Noodle and spaghetti weighing and packing machine, Noodle and spaghetti bundling and packing machine, counting and packing machine etc., if you are interested in our machine, please feel free to contact me.

Contains:

1. Material conveyer: One set
2. Reciprocating type packaging machine: One set
3. Energy efficient contracting furnace: One set

Product's Advantages

The reciprocating shrink film packaging machine has the advantages of high efficiency, high speed, easy operation, simple.

Technical specification:

Mechanical dimensions	7520x1190x1650mm
Sealing cutter size	230mm
Packing size(l*w*h)	(100~350)x(30~100)x(10~100)
Packing capacity	100Bag/min
packing	POF,PE
Sealing knife temperature	180-300°C
Power	220v
Total power	22kw
