

4 hopper weighing Auto-quantify Packing Machine XS-B-4

This machine use to Pesticide, fertilizer, veterinary, fodder, mix powder, additive, washer power, salts, monosodium glutamate, cockspur, sugar, granulate, rice, etc.

Technical Parameters:

Model	XS-B-4
Packing speed	1800-2500bags/hour
Packing specification	50-1000克
Packing precision	0.5%
Machine voltage	220V50Hz750W
Machine weight	200Kg
Machine size	L*W*H=1200*600*1900mm
