

LFBI-06 Trays and Display Box Packing Machine

Put the bottles, carton, trays and other materials into the trays and display box packing machine in a certain arrangement and then seal the boxes.

This machine is suitable for food, pharmaceutical, cosmetics and other industries, and can realize the packing of bottles, blister board and related materials.

Technical Parameters:

Model	LFBI-06
Max.speed	60 cartons/min
Carton specification(L x W x H)	120~255 mm *100 mm *75~100 mm
Bottle specification (D X H)	110~245 mm *97 mm *70~95mm
Power supply	10kw
Power absorption	AC380~400V 50/60Hz
Compressed air	0.4-0.8MPa
Air consumption	120L/min
Dimension(L x W x H)	Approx.3250mm(L)×1500mm(W)×2000 mm(H)
Weight	Approx.1500Kg
