

BM350 Automatic High Speed Chocolate Pillow Packing Machine

BM350 automatic high-speed chocolate pillow packing machine is suitable for packing regular objects such as biscuit, egg pie, bread, chocolate, candy, instant noodle, moon cakes, hardware, daily consuming ware, industrial parts, paper box or trays.

Features:

- The machine uses servomotor, flexible bag length cutting, the operator need not adjust the unloading working, saving time and films.
- High sensitivity optical electric color mark tracking, digital input cut position, which makes the sealing, and cutting more accurate.
- Simple driving system, reliable working, convenient maintenance.

Technical Parameters:

Film width	Max.350mm
Bag length	90-160 180-320mm
Bag width	50-170mm
Product height	Max.40mm
Rewind diameter	Max.350mm
Packing speed	50-250bag/min
Voltage	220V/380V 50HZ
Power	3kw
Dimension	(L)4200×(W)1250×(H)1750mm
Total weight	1000Kg
Remark	With air filling and code printer device as option
