

## Label-Aire® Inline series 5100

The NEW Label-Aire® Inline 5100 labeling system is designed to offer you advanced features while also making labeling easier, faster, and more affordable... making your operation more profitable.

The advanced Inline 5100 is a rugged stainless steel cabinet based (including frame and side plates) labeling system that can be outfitted with Label-Aire's full range of Label-Aire New Generation 3100/3000 Series applicators (wipe-on, air-blow, or tamp-blow). The Inline 5100 also has a smooth-running Variable Frequency Drive (VFD) conveyor which improves label placement accuracy. For added convenience, this model automatically spaces your products and has a user-friendly operator interface. All these features means the Inline 5100 easily adapts to your growing needs. Designed for reliable full- and partial wrap labeling at medium- to high speeds, high-volume, multi-shift operations, the tough and advanced Inline 5100 delivers.

### NOT AVAILABLE FOR THE EUROPEAN MARKET

#### Features:

- **Main Drive:**  
**Line Speed** Variable Frequency Drive (VFD) up to 1,200' (30.48 m) per minute
- **Construction:**
