## High speed counting machine CZG80/16, 32

Fully automatic bottle fillings machine, max speed is up to 6000~12000 tablets/min

### **Application:**

Mainly for pharmaceutical, health care and food industries.

### **Features:**

- be able to fill bottles. Widely used or pharmaceutical, health care and food industries.
- Fast filling speed, 32 channels can reach 120 bottle/min
- Auto alarm when not enough bottles or any blockage.
- 3 stage constant vacuum suction system. The dust is removed when tablets dropping to guarantee precise counting and filling
- Automatic alarm and stop.
- Convenient and easy to operate.
- imported PLC control
- comply with GMP standards
- equipped with overload protection function.

**Main data:**

<b>Model Data</b>	<b>CZG-80/16 CZG80/32</b>	
Max speed (bottles/min)	6000 tablets/min 12000tablets/min	
No of channels	16 32	
Filling quantity per bottle	15~9999 15~9999	
Container dimension	Diameter	Ø30~ Ø75mm
	Height	40~250mm
Product specification	Thickness	3~10mm
	Diameter	3~15mm
	Length	3~25mm
Noise	<75dB	
Hopper volume	40L 2x40L	
Compressed air	0.5Mpa	
Power of supply	220V, 50Hz/60Hz	
Conveyor length	2400mm 3000mm	
Dimension	1600x2400x1670mm 1900x3000x1670mm	
Weight	Approx.. 500kg 1000kg
