

ML-4P Cold Glue Paste Labeling Machine

Double sides cold glue labeling machine

Feature:

1. Linear type paste labeling machine is widely used in pharmacy, daily use chemicals and foodstuff etc industry.
2. It can work independently or connect with automatic production line. Suitable for plastic bottle, glass bottle and metal column shape container etc.
3. The height has no limited for regular container, label material is paper with normal printing.
4. Label glue can apply chemicals synthetic glue or starch paste as label glue material.
5. All key parts apply import original parts.
6. For the similar container and label, no need change any parts, just making some adjustment can begin production.
7. Equipped with pneumatic glue feeding pump and no label alarming device.

Technical Parameter:

Production capacity	80-100BPH (depends on label size etc)
Bottle diameter	Φ40-110mm
Bottle height	60-450mm
Labeling speed	40-100pcs/min
Label size	Width:20-220mm Length:80-370mm
Precision	±1mm
Power	0.75Kw
Machine size	2400*824*1100mm
Weight	650kg
Power	AC 220V/380V 50/60HZ 750W
