Candy Cutting and Packing Machine DXD

DXD - Candy Cutting and Packing Machine is used for automatic cutting and packing of candies as milk candy, toffee candy and so on.

Technical Specification

1. Max. Packing speed of this flow wrapper is 500 pcs/min.
2. This flow packing machine is connected with candy extruder or candy roller machine directly for fully automatic working.
3. Servo motor version is available for needs of customers.
4. Use of touch screen, makes this flow packing machine easier for operation.

Technical Parameters

Max. Production Capacity	最大生产能力	500 bag/min (根据物料尺寸不同, 而有所改变)		
Max Width of Film	最大包装膜宽度	300mm		
Max. Dia of Film	最大包装膜卷筒直径	380mm		
Shape of products	包装物形状	长圆柱形 Round bars, oblate, hemispherical products		
Packing Range	Length of bag	包装范围	袋长	60-200mm
	Dia		高度	8-30mm
Packing Material	包装材料	可热封复合膜 Hot Sealing Film		
Gross Power	总功率	6kW		
Power Supply	电源	3P/380V/50Hz		
Overall Dimension	外形尺寸	4800×1150×1580mm		
Gross Weight	总重量	1300kg		

Note: We can design and manufacture according to customer's special needs. 注: 用户如有特殊规格, 本公司可另行设计制造。
