

TFLM-120 Automatic Tabletop Flat Labeling Machine

TFLM-120 Automatic Desktop Flat labeling machine is mainly used for all kinds of flat bottle, box, product surface sticker labeling.

It is widely used in cosmetics, beverage, food, medicine and other industries, greatly improving productivity and labeling quality.

Features:

1. Smart equipment, simply place the workpiece and automatically complete the labeling. It is easy to switch the labels of different workpieces.
2. Avoid manual labeling, foil inefficient, attached to the skew, blisters and folds, attached to a series of irregular positions and other issues.
3. Desktop design, simple structure, small shape, powerful function.
5. High sensitivity of object and label detection with advanced electric eye. High labeling accuracy, accuracy deviation $\pm 1\text{mm}$
6. Improve product labeling, film attached efficiency, affixed with accurate location, good quality, high stability; additional production counting function.
7. Optional distribution function: The code printer / function

Parameter:

Model	TFLM-120
Power	765W
Filling speed	10-40 pcs/min
Filling accuracy	±1%
Bottle high	5-100mm
Min.label roll Inner diameter	75mm
Max.label roll out diameter	260mm
Machine Size	1200*700*800mm
Machine Weight	150kg
