

Automatic Pillow Bag Packing Machine APB-2000

One great feature of automatic pillow bag packing machines is their versatility. They handle a wide range of goods such as snacks, candies, grains, and powders among others. They allow for customization in terms of packaging thus you can have different sizes and designs for your bags.

Technical Parameters

| Machine Model | APB-2000 |
|------------------------------|---|
| Bag Type | Pillow bag |
| Packing Speed | Up to 60 bags per minute |
| Bag Size Range | Length: 80mm – 300mm Width: 60mm – 200mm |
| Film Width Range | 120mm – 520mm |
| Film Thickness | 0.04mm – 0.12mm |
| Power Supply | 220V/50Hz or customized |
| Power Consumption | 3.5KW |
| Air Pressure | 0.6MPa |
| Air Consumption | 0.4m ³ /min |
| Machine Weight | 800kg |
| Overall Dimensions (LWH) | 4500mm * 1200mm * 1600mm |
| Control System | PLC control, touch screen interface |
| Material | Stainless steel 304 |
| Suitable Packaging Materials | Laminated film, PE film, PP film, aluminum film, etc. |
| Optional Features | Date printer, air expeller, nitrogen flushing system, product feeding conveyor, metal detector, etc. |
