

SW-LW-L Auger Type Computer Weigher

The SW-LW-L Auger type computer Weigher is specially designed for weighing sticky food materials. It is suitable for weighing spicy foods such as beef tendon, pickled vegetables, pickled pepper bamboo shoots, mustard, Pleurotus eryngii, shredded bamboo shoots, kelp slices, clove fish, and squid.

This multihead weigher has the following functional features

- It is suitable for sticky materials, such as pickles and spicy food.
- It has a waterproof grade of IP66 and can be directly washed by flushing.
- It has a scientific volume selection that satisfies the requirements of 1.0L and 1.5L different solvents.
- It has stable operation and superior cost performance.
- It is easy to use with a color visual touch screen control.

Main Specification

Model	SW-LW-L Multihead Weigher
Weigh the bucket	14
Speed	≤90BPM
Accuracy	±2σ
Single bucket volume	1L
Weighing volume	1.5L
Size (L*W*H)	1160*1160*1480
Weight	400Kg
Monitor	10.4Color touch screen
Power Supply	AC220V±10% 50/60Hz 1.8KW
