

ALA-410 High-Speed L-Type Auto Sealer

This versatile L-Type automatic sealer supports PE, POF, and other shrink films, suitable for food, consumer goods, electronics, textiles, and stationery. It offers high-speed, smoke-free sealing for a clean, safe workspace. Equipped with sensitive photo sensors, it ensures precise sealing and can integrate with automation systems to optimize packaging efficiency.

Description

- Supports PE, POF, and other film types
- Smoke-free heat sealing, no fumes during operation
- High-sensitivity sensors with adjustable detection angles
- High-speed performance improves production output
- Compatible with automation systems for streamlined workflow

Specification

Model	LA-410
Size (Length x Width x Height) mm	1350W * 2750D * 1500H mm
Power Supply	1φ, 220V, Customizable
Package Size	L100-460*W40-320*H10-120mm
Packaging Speed	30-40 Units/min
