

## CFD-Z Auto Filling and Sealing Machine

The machine is suitable for packing vacuumize food such as needle mushroom, puffed food, salted lettuce etc. Process flow of the machine: cup falling--measuring filling( manual packing box)--film loose winding--date printing--vacuolization--flat sealing--photoelectric track--mesh sealing--cutting--prop up product. Pneumatic and electric combing in this machine to make productivity stability, quality reliable and high effectively, save energy. It is the pioneer product in the same trade.

### Technical parameters:
