

Table Top Vacuum Packaging Machine J-V002

Table Top Vacuum Packaging Machine from Jaw Feng Machinery Co., Ltd. is made of stainless steel, in line with food hygiene and safety. It can be used with movable stainless steel trolley. Convenient to move and suitable for various occasions. Programmable for data up to 10 set-ups. Each group can operate individually. User-friendly design and easy to use. Providing flat plates to slightly adjust the height of packaging.

Specification:

Model	J-V002
Machine dimension	490 x 540 x 510 mm
Chamber dimension	435 x 425 x 170 mm
Sealing length	420 mm x 1

Features:

- Complete stainless steel structure for maximum durability
- Hygienic design, easy to clean
- Transparent upper lid provides clear visibility for packaging process
- Vacuum chamber with solid height adjustable filler plates
- Simple to operate microcomputer control system with multiple program setting options
- Ideal for applications to production factories, research departments and laboratories

Options:

- Special design is available for various product
- Gas flushing

Functions:

- Maintain food's freshness and original flavor
- Anti-spoiling
- Extend product shelf life
- Prevent electronic and hardware parts from oxidization
- Available for special applications

Applications:

- Fresh meat, seafood, pickled vegetables, agricultural products, herbs, powder, spices, bean paste and prepared foods...etc.
- Electronic parts, hardware products, medical instruments, medicine...etc.
