

JA-30L Screw Measuring Machine

- Hopper can be easily cleaning without tools ;
- Servo motor and servo drive control screw ;
- All stainless steel construction ;
- Equipped with a high degree of adjustment hand wheel, easy to adjust the whole height ;
- Change screw attached, suitable fine powder and micro granule material measure!

技术参数 Technical parameters

型号 Model	JA-30L
料仓容积 Hopper capacity	30L
包装重量 Package weight	10~500g
包装精度 Packing accuracy	100~500g $\pm 1.5\%$ <math>< 500 $\pm 1\%$
填充速度 Fill rate	30-120次/分钟
螺杆直径 Auger Diameter	$\Phi 17 \sim \Phi 57$
电源 Power	三相220~415V
整机功率 Total power	1.2KW
整机重量 The whole weight	40kg
整机体积 Whole volume	L850×W500×H800mm
