

## *OC-420BZ Volumetric Measuring Cup Packing Machine with Hoist*

Volumetric Measuring Cup Packing Machine with Hoist can automate the packing of granular, powder, flake, strip and other materials. It is suitable for paper, cellophane, aluminum foil and other heat-sealed laminated packaging materials. You can choose one of the three packaging forms: back sealing, three side sealing and four side sealing. This machine is suitable for packing melon seeds, corn kernels, soybeans, peanuts, nuts, granulated sugar and other small granular materials for metering.

Our Volumetric Measuring Cup Packing Machine with Hoist is imported with PLC full computer control system, color touch screen, simple, intuitive and efficient operation. It is also equipped with servo film delivery system, imported color code sensor, accurate positioning, excellent overall performance and beautiful packaging. In addition, this machine has various automatic alarm protection functions to minimize the loss. By changing tools, it can realize flat cutting, pattern cutting and linkage cutting. Bag-making equipment can also be replaced according to the specific requirements of customers and products.

### **Application:**

It's suitable to use in packing the high accuracy and easy fragile material, such as: puffy food, crispy rice, jelly candy, pistachio, apple slices, dumpling, chocolate, medicine, pet food, small hardware etc.

**Technical specifications:**

<b>Type</b>	<b>OC-420BZ</b>
Film width	Max.420mm
Bag length	80~300mm
Bag width	60~200mm
Packing rate	5~60bags/min
Measuring range	150~1500ml
Machine weight	650KG
